## Dog Licensing

New Hampshire law requires all dogs to be licensed at three months of age. The license period is May 1 through April 30. When you register a dog, you must show proof that the dog has a valid rabies vaccination. If your dog has been spayed or neutered, you will need to show proof of that as well. To save you time, you may print this form, fill it out, and bring it to the Town Hall when registering your dog. If submitting by mail, send self addressed stamped envelope along with the appropriate fee.
