

PITTSFIELD WEBSITE COMMITTEE PHOTOGRAPH PUBLISHING POLICY

Quality Images can be posted throughout the website if they meet the following conditions.

1. Images shall be taken in Pittsfield (and include a specific location in the caption) or be shown to be relevant to an event in Pittsfield
2. Whenever possible photographers should be credited for the images.
3. Images of adults can be published on the site if they were taken in public or the subject of the photo has given his/her permission to publish the photo. The subjects may be identified or not captioned.
4. Images of minors are acceptable if they were taken in public. Minors can only be identified if permission is given from the parent.
5. Photographs shall not violate the privacy of the subject or unreasonably place a person in a false light before the public
6. No person's image shall be utilized in an Advertisement without a signed "model release" being provided to the website committee.
