

Attention Pittsfield's Troops

The American Legion, in conjunction with the Pittsfield Historical Society, is attempting to undertake the challenge of honoring **all** military personnel sent out *from Pittsfield*. Those who have served during times of declared war or conflict will have their names engraved on the monument at Dustin Park dedicated for this purpose. Due to the enormity of this project, accuracy counts and some information may need verification. Plans for a published accounting of this information are also underway. We want you or your loved one included. If you have had a neighbor or friend who was sent out and they have since moved away, this information is valuable, too. Don't assume we have your information. Please send the completed questionnaire to Larry Berkson, 34 Connemara Drive, Chichester, New Hampshire 03263 or complete online at www.pittsfield-nh.com. There are computers available at the Carpenter Library if necessary.

If filling this questionnaire out for someone else please give your name and relationship:

Your address: _____

Your phone #: (day)_____ (evening)_____ e-mail:_____

Soldier, sailor, airman, marine's name: (example: SSgt. Joseph R. Jones)
