EMPLOYEE HARASSMENT POLICY

It is the policy of the Town of Pittsfield to prohibit verbal or other forms of harassment against its employees, and to enforce the policy to the strictest legal limits allowable.

The Chairman and members of all Boards, Committees, and Commissions will conduct their respective meetings in a professional manner and will not directly receive in public session derogatory statements, references to, or disparaging remarks or statements about any employee of the Town by any members of the Boards, Committees, Commissions, of the community, contractors and vendors and their representatives to the Town, or private parties, or private citizens. Instead, any individuals wishing to make a complaint about a Town Employee will be promptly instructed to make the complaint in writing to the Town Administrator, so that it may be investigated and evaluated.

The respective Chairman or others conducting any public gathering will enforce the provisions of this policy statement.
